- Contributor in multiple tech events and seminars

IUT Career & Business Society, Creative Director

- Organizer, BizNation - Inter-University Case Competiton
- Led visual branding and design for major events
- Organizer, Career Expo in collaboration with IUTAA

About Me

I'm a third-year Software Engineering student at IUT who loves building useful, well-designed products. I've led hackathon-winning projects from idea to pitch, combining clean code with simple, user-friendly design. I enjoy learning new things, working with others, and be part of teams that value creativity, collaboration, and making a real impact.

Skills

Languages

JavaScript, TypeScript, Java, Python, C++, C#, Dart

Frameworks/Libraries

React, React Native, Next.js, Socket.IO, WebRTC, Motion, Tailwind CSS, Native Wind, Shadcn UI

Databases & Backend

Node.js, Express.js, REST API, MongoDB, PostgreSQL, Firebase, Supabase, AppWrite, OAuth

Tools

Figma, Framer, Git, GitHub, Vercel, Firebase, AWS, Postman, Jira, Clerk

Achievements

National Winner, PleaseHack by UNOPS
Colombo, Sri Lanka

Champion, AI and API Hackathon
KUET CSE BitFest 2025, KUET

Champion, HackNSU Hackathon
NSU ACM Student Chapter, North South University

Champion, Data Hackathon
4th DIU Data Science Summit, Daffodil Intl. University

Champion, Dhaka Divisional Hackathon
Technocrats V.2, IUBAT

1st-Runner Up, Project Showcase
KUET CSE BitFest 2025, KUET

1st-Runner Up, National Hackathon
EWU Robofest 2024, East West University

Cultural Insignia, Cumilla Cadet College
For excellence in stage competitions
